

THE ENGLISH CORNER

There are many ways to improve your English outside the classroom.

- When listening to your favourite songs, try to understand the words & to memorize them.
- Watch DVDs in English, and if it is too difficult, put the English subtitles.
- Read English books as much as you can, there are some at the CDI.
- We bought some games for pupils (Trivial pursuit, Monopoly and the English version of Tic Tac Boum), ask the Vie Scolaire for the permission to use them.
- Here are some links to various sites which could be of interest for pupils.

Have fun,

Your English teachers.
